

Church School Council Minutes

12.10.22

Present: Reps from Year 1, 2, 3, 4, 5, 6, Mrs Dorrington & Phil (visitor).

Not present: EYFS Rep was on a trip.

Welcome & Introduction

Mrs Dorrington welcomed the new reps to Church School Council as this was their first meeting of the school year. Each rep received a Church School Council badge to wear. Their photos were taken for the Church School Council display which is near 4W – Mrs Dorrington will take the council to see this at the next meeting.

Phil

Church School Council was then joined by Phil, a visitor from a charity who is interested in setting up initiatives like chaplaincy and church school council in his local schools and wanted to come and see what we do at St Matthew's. Church School Council welcomed Phil and asked him lots of questions.

Thoughts & Ideas for the Future

Church School Council discussed some ideas for the future. These included:

- Making posters to encourage faith and values
- Learning about baptism
- Setting up clubs in church
- Having workshops in church

We had limited time for this discussion so Church School Council are going to think further about what they'd like to do and we will discuss this again next time.

Next Meeting: Wednesday 9th November 2022 9.10am (tbc)
