Christingle

EYFS and KS1 will be participating in a Christingle service in St Matthew's church on 8.2.22 at 2pm. Naraye explained what this involved to the younger children. CSC will attend and help out as necessary.

RE scrapbooks

Ms Bolton will invite members of the CSC to be involved with work scrutiny the next time she looks at the RE scrapbooks.

Diversity in the Curriculum

The CSC is a diverse group of pupils. They will be working alongside the Diversity Working Party to ensure that the pupils' voice is heard as part of this initiative.

We talked about what 'diversity' means and acknowledged the multicultural nature of our school. Initial discussions showed that the children feel represented with the displays and resources used in school and they implied that the curriculum was rich and diverse.

- Some classes are reading books from the multicultural box in the entrance area.
- All pupils are aware of the Diversity display in the lobby alongside the life size cut out of Marcus Rashford.
- The children said there is a wide range of diverse books in the library.
- They enjoyed the 'Little People, Big Dreams' assemblies last term and liked finding out about people of colour who have had an impact upon society.
- Mr Gates will give pupils a simple audit sheet for their year group, to look for evidence of multiculturalism in their classes.
