Worship Challenge

Mrs Dorrington welcomed everyone and explained that we would be running a project this term about kindness. A competition around this theme was discussed and a poster design about kindness was agreed upon. The council decided the winning design would be made into large posters to be displayed in school during the kindness week, as well as made into stickers (we liked the idea of badges but decided they were probably too expensive).

Other ideas about how to encourage kindness were discussed:

- A special dojo could be made on Class Dojo to reward acts of kindness.
- Suggestions could be given on how to be kind, such as respecting everyone and holding hands.
- A song about kindness could be sung in assembly, or perhaps the council could deliver an assembly all about kindness
- The council could give out awards to people who are being kind. The council decided it would be best to keep this secret so that children weren't only being kind in front of council members to get an award.
- Kindness could be linked to Jesus wanting us to love each other

Next Meeting

The next meeting will be to judge the winning entries to the competition and to discuss ideas for a kindness assembly.
