

Church School Council Minutes

24.11.22

Present: Reps from EYFS, Year 1, 2, 3, 4, 6, Mrs Dorrington.

Not present: Year 5 rep absent from school.

Worship Challenge

The main item on our agenda today was the worship challenge for this half term. The council discussed some ideas for a competition and decided they would like a postcard to be designed. The theme for the postcard will be an aspirational person, in keeping with our collective worship theme this half term. The reps for Year 2 and 3 volunteered to explain the competition to the school in Monday's assembly.

Display

Mrs Dorrington took the council to see their display so that they all had the opportunity to see themselves up on the wall in the Year 4 corridor. We also discussed the angel wings which will be returning this year, as designed by last year's Church School Council.

Thoughts & Ideas for the Future

Next term, we will be planning a project and the council agreed to think about ideas for this over the next few weeks. The next meeting will be a short one to judge the winners of the worship challenge competition.

Next Meeting: Wednesday 7th December 2022 9.10am
