Discussion

Church School Council met to discuss plans for the last half term of the school year. The following ideas were put forward:

- To run a competition to design more posters like those up in the playground currently. Perhaps this time around the school bible verse?
- Posters out the front of the school and/or by the road – perhaps welcome banners? These could also include the school values.
- Plant a tree
- Put up a big cross on the wall in the playground

Mrs Dorrington will speak to Mr Gates about which of these ideas can be actioned during the remainder of the school year.

Next Meeting

The next meeting will be to plan the competition launch. Church School Council would like to meet in the Spiritual Garden to see if they have any ideas to help improve the garden.

Next Meeting: Wednesday 7th June 2023
