

Church School Council Minutes

05.06.24

Present: Reps from EYFS, Year 1, 2, 3, 4, 5, 6 and Mrs Dorrington

In our last meeting, the council proposed various ideas which Mrs Dorrington and Mr Gates looked at and the following were thought to be best:

Worship Challenge Competition

Church School Council wanted to show some support to Ipswich Town Football Club. As Suffolk Day is soon, it was decided that a competition to design a poster about all the wonderful things we are thankful for in Suffolk would be a best idea – this way the poster can be about the football club or about something else in Suffolk for those who are not football fans. The council will choose winners to announce on Suffolk Day in assembly (or the day before if more appropriate).

Ideas from the council for the poster included:

- Spoon restaurant
- Christchurch Park
- Felixstowe
- The Waterfront
- Baylham Rare Breeds Farm
- Jimmy's Farm
- Combine harvesters (!)

Welcome Banner

We also discussed ideas for the welcome banner that the council would like to make for the school. It was thought that 'hello' in different languages spoken in our school could be put into speech bubbles and perhaps flags could be used to. The council think they might like to each make a part of the banner and put it together, perhaps with pens and paints, and then laminate the end project. They would like it to go up in the hall if possible, to make children feel very welcome in our school.

Next Meeting: Wednesday 19th June 2024 to choose competition winners
