Worship Challenge

Today, we were preparing for Kindness Week. The first task was to choose a winner from the wonderful worship challenge competition entries, which was a tricky job because there were so many great designs. The vote was anonymous. This winning design will be made into posters and stickers for Kindness Week.

Kindness Week Assembly

Church School Council then worked on the recorded assembly that we are producing for Kindness Week. The council decorated some Bible verses about kindness which they then read out for the recording. The council also discussed some suggestions for how to be kind and these were also recorded for the assembly.

Next Meeting

A short meeting will be required next week (Wednesday 13th March) to ensure the council are ready for Kindness Week. The next normal meeting will be after the Easter Holidays.
