

Evaluation

What would you say are the strengths of your product?

Does your product meet your original criteria? How?

Did you change anything during the making process? What?

Was it hard to make? Why / why not?

Are you pleased with your finished product? Why?

How could you make it better?

Design Technology Project Booklet

Name: _____

Term: _____

DT unit: _____

My Finished Product

(Glue a photo here of
your finished product)

Design Brief

Product: _____

User: _____

Purpose: _____

Design Research

Find examples that you might use for inspiration or ideas for your design project. Glue in pictures, information or brainstorm ideas.

Investigate (products already made)

Which materials are used to make the products you have seen?

Which design features from your research might you want to use in your own design?

Design ideas

Design Idea 1 (realistic)	Design Idea 2 (imaginative)

Consider

For my project to be successful, I need to....

My product should not....

My Final Design

Design Evaluation

Does it fulfil your design brief?
I have decided on this design because...

Preparation

<u>Materials</u>	<u>Equipment/Tools</u>
<u>How I will make it</u>
