

Derek Ramsay

I am one of the Foundation Governors, with a particular responsibility around safeguarding.

My background is as a qualified Childcare Social Worker and I currently am a Practice Manager with Suffolk County Council.

I manage people in a range of teams, from Early Help through CAF Triage to workers within the MASH.

In St Matthew's Church I am one of the elders and am involved with helping with the Youth work.

I am married to Louise and we have one son, David.
