

The Primary PE and sport premium

Planning, reporting and evaluating website tool

Updated September 2023

Commissioned by

Department for Education

Created by

This template can be used for multiple purposes:

• It enables schools to effectively plan their use of the Primary PE and sport premium

 It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium

 It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make additional and sustainable improvements to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use

they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated Primary PE and sport premium guidance.

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
Develop EYFS outdoor space and provision of fine motor activities for playtimes and lunchtimes in the KS1 area	opportunities significantly for both gross and	Whilst lunchtime equipment is being used and enjoyed by the children it is becoming increasingly expensive as items are frequently

	used and enjoyed the new equipment and area and felt safe to try new things and be adventurous.	activities run by our sports leaders, who will be responsible for equipment. This should result in fewer losses and breakages and will ensure that a full range of children engage across the week.
ITFC training for year 5/6 girls and boys and for year 3/4 boys – selection termly based on attitudes to school, attendance, behaviour in class, engagement in learning etc.	pe part or seriour tearns.	The use of team places as an incentive for positive changes in behaviour and improvements in school work will continue next year.
Gymnastics training	Pupil perceptions and lesson observations indicate	

Imoves renewed

that the quality of gymnastics teaching has limproved and that teachers are utilising a range of skills and equipment to achieve learning objectives. Children enjoy their gymnastics lessons land there is clear progression across year groups.

Dance provision continues to be topic focused and builds skills progressively year on year. Teachers demonstrate confidence in teaching dance and also in providing opportunities for the children to develop independence and creativity, using the limoves programme as a start point.

Living Well Week: Range of workshops tailored for all vear groups from local sports groups, sports facilities and providers, wellbeing practitioners.

Pupil perceptions and discussions/feedback from staff and parents indicate that the Living Well weeklocal area via dojo now that we have made links. was extremely successful, with many children saying they would now go and try these activities as they were all available locally. A range of children have signed up for the summer camps offered by the providers following their sessions

Continue to promote external providers in the Living well week will continue biannually.

Attendance at a broader spectrum of competitions across key stages

Enter A. B and C teams to extend offer to other children

Increased participation in competitive sports by a wider range of children across both key stages. Raised aspirations in SEND children from successful Panathlon Events run by School Games.

Achieved Gold Award, demonstrating

Discussions following competitions demonstrates that children want to participate, have a positive lattitude towards physical activity and see that they can be part of a team.

Key priorities and Planning

This planning template will allow schools to accurately plan their spending.

Action – what are you planning to do	Who does this action impact?	Key indicator to meet	Impacts and how sustainability will be achieved?	Cost linked to the action
Improve lunchtime provision – structured activities led by sports leaders.	Aim to support transition from KS1 to KS2 and from LKS2 to UKS2.	Key indicator 1: The engagement of all pupils in regular physical activity.	More pupils meeting their daily physical activity goal, more pupils encouraged to take part in PE and Sport Activities, easier transition	£2000 – equipment, sports leaders uniform. £800 Class Pack or £3000 school pack of 4
Assess activity levels to ascertain target groups for intervention using MOKI health fitness trackers.	All children initially, then those children identified as least active.	Key indicator 1: The engagement of all pupils in regular physical activity.	across phases.	classes.
Purchase balance bikes and scooters and storage	EYFS/KS1	Key indicator 1: The engagement of all pupils in regular physical activity.	Building on last years work, provision will be improved for children in EYFS to develop gross motor skills through a range of resources. More children will have the opportnutiy to use the equipment across years reception to 2	£3000
ITFC training Sessions	boys and for year 3/4 boys – selection termly based on	Key indicator 2: The profile of PESSPA being raised across the school as a tool for whole school improvement	Improvement in behaviour and attendance of identified children as they wish to attend the club and be part of school teams.	£2000

	1	1	1	
CPD: Sports Coach and PE lead to attend Sports Conference 2024	Whole staff training/feedback following conference to raise awareness of PE in school.	Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport	High quality PE provision across all year groups based on current research and thinking.	£200
Netball training for PE lead to support team.	Year5/6 girls netball team reinstated.	Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport	raised and greater interest	£? Possibly free as part of School Games provision.
EYFS Training for PE lead (shadowing Sports Coach/ observing indoor and outdoor provision)	PE Lead has stronger understanding of how the new EYFS framework fits within the PE curriculum and how this progresses in to KS1 in order to advise and support.	Key indicator 3: Increased confidence, knowledge and skills of all staff in teaching PE and sport	PE Lead can advise and support teachers and TAs going forward in delivering a challenging and rewarding curriculum that prepares them for the next stage of their learning.	£300 – supply cover for lesson observations.
New gymnastics equipment to be bought in line with recent CPD	All staff and children	Key indicator 4: Broader experience of a range of sports and activities offered to all pupils	Equipment will allow for quality provision of high challenge, low threat teaching and learning and support in the delivery of the Cambridge Scheme curriculum. Children will show greater engagement and progression in a wider range of skills.	£3000
Bike Ability course will be run for year 6 pupils in readiness for their	Year 6 pupils	Key indicator 4: Broader experience of a range of sports and activities offered to all pupils and Key indicator 1: The engagement of all	Children will be confident road users, it will raise the profile of active travel	£360

transition to high school.		pupils in regular physical activity.	amongst KS2 and with parents.	
Membership of School Games and IPSSA and attendance at associated competitions	All children across KS1 and KS2 given the opportunity to compete through inclusion of A, B and C teams. SEND children as part of the panathlon teams.	Key indicator 5: Increased participation in competitive sport	competitive sports by a wider range of children	£3500 to cover membership fees, supply cover and transport.
Purchase of Netball and Basketball hoops ready for competition training.	KS2 Children	Key indicator 5: Increased participation in competitive sport	Increased participation in a broader range of competitions, raised profile of sport in school.	

Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments

Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

Question	Stats:	Further context Relative to local challenges
What percentage of your current Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	%	Use this text box to give further context behind the percentage. e.g., 30% - we are struggling to get pool space due to our local pool closing so we have had to use a much smaller local school pool. We have had to limit the number of pupils attending swimming lessons during one term which means some pupils have attended fewer swimming lessons than others.
What percentage of your current Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	%	Use this text box to give further context behind the percentage. e.g., Even though your pupils may swim in another year please report on their attainment on leaving primary school at the end of the summer term 2024

What percentage of your current Year 6 cohort are able to perform safe self-rescue in different water-based situations?	%	Use this text box to give further context behind the percentage.
If your schools swimming data is below national expectation, you can choose to use the Primary PE and sport premium to provide additional top-up sessions for those pupils that did not meet National Curriculum requirements after the completion of core lessons. Have you done this?	Yes/No	
Have you provided CPD to improve the knowledge and confidence of staff to be able to teach swimming and water safety?	Yes/No
