

St. Matthew's Church of England Primary School
and Eco Council Minutes

Date: 9.06.25

Classes Present:

BB LB IF IR 2B 2P 3AW 3BW 4K 4S 5C 5FB 6Q 6S

Lead teacher: Miss Zych

First thing we talked about: celebrating our achievements this year!

Miss Zych gave the School Council Certificates and sweets to all the Reps to say thank you for our hard work!

We have been busy this year sharing ideas, taking up the initiatives and making our school a safer and better place for all the pupils.

This is what we have been involved with:

- Made 'Turn the Lights Off' poster for each class to be more aware of CO2 emission.
- Run weekly litter picking with Mr Todd
- Planted seeds and plants in the Spiritual Garden to attract wildlife
- Organised whole school initiative and hung bird feeders in the Spiritual Garden
- Organised Recycling Poster Competition
- Were consulted on plans for the playground refurbishment
- Were involved in asking questions to the candidates during Deputy Headteacher Interviews and provided our feedback to SLT.

Also on an agenda: Suggestions for next year

We run out of time to discuss traffic outside our school which was on our agenda this year. We would like next Years School Council to explore this area further next year. Here are our suggestions to explore brought forward by the Reps:

- 20s plenty sign
- Speed Bumps
- Zebra Crossing
- Lollipop Person

For next meeting: We are going to Recycling Centre on 16th July!

Next meeting date: 16.07.2025
