

Annie Hookway

In 2022 I retired from a wonderful career in education that spanned teaching, leadership and inspection. Since then I have volunteered as a Governor within the Diocesan Trust.

I was appointed as a Governor at St Matthew's by the St Edmundsbury and Ipswich Diocesan Multi Academy Trust in March 2026.

I bring professional experience to this role but also my experience as a former working Mum and now a Nana of school age grandchildren.

Through my role I will aim to support the work of this amazing school and the aspirations of the pupils and their families.
