First thing we talked about: Clean Air Day

We are excited about St. Matthew's Cleaner Air Day.

We are all committed to either walking or cycling and some of us are going to come on a scooter to school on 17th April.

Also on an agenda: Cleaner Air Day Poster Competition

We have looked at all designed poster for our competition. Miss Zych extended the deadline to after we had our guest speaker to deliver CO2 assembly. We got lots of posters.

Our criteria to choose the winning design are:

- how much effort was put in
- is there a clear message about harmful impact of air pollution produced by cars?
- more pictures than words
- creativity

We voted and Cristian's poster won the competition. Well done!

Here are runner ups:

Kayla in 3HW

Sophia in 3HW

Ruben in 3K

Lexi in 3K

Prince in 3HW

Oskar in 3HW

The winner and the runners up are invited to our Recycling Centre trip.

Well done to everyone for taking part!

Next meeting date: 22nd May 2024
