## Recycling Poster Competition

We met today to choose the winner of the competition for our Recycling Project.

We received 18 entries. We looked for the artistic factor and for the persuasiveness of the message on the poster. We then chose our favourites and voted at the winning poster together.

We chose Evelina's poster to be framed as our winning piece. It has a clear message and includes the simple yet effecting recycling logo. We liked the creative aspect too and the poster is very pleasant to look at. We all thought it will appeal to everyone. Well done Evelina.

Here are the runners up:

Lorena 1DW

Himavarsha 5C

Melody 5FB

Lexi 2B

Nina 4Q

**Action: Miss Zych to announce it on Dojo and finalise printing and framing it with Mr Gates. Confirm the date for the Recycling Centre Visit (29.03.23?)**

## Earth Day Non-Uniform Day

We have the date to confirm the Earth Day fundraiser for compost bins.

We would like everyone to wear the Earth colours (Blue, brown, green) or dress up as the planet Earth (you can be creative) on 28<sup>th</sup> April and bring £1 to celebrate the Earth Day.

**Action: Announce on Dojo (Miss Zych to liaise with Mr Gates)**

## Space in the playground

Year 5 Rep had an idea about expanding the playground space for all of us to discuss. She brought the hand drawn map and talked about how often she and her friends feel constricted in the playground. It can feel crowded and chaotic at times. All the Reps agreed that having extra space would be beneficial for everyone. The area in question is behind the gym trail and has some old trees, playground equipment and looks very messy and unkept. Miss Zych remembers about the restrictions about tree removal by the SCC, but agreed to ask Mr Gates.

Is there any chance that we can utilise that space to make it into a usable area (either benches to sit on, stumps to encourage some talking time or maybe some playground equipment?)

**Action: Miss Zych to discuss with Mr Gates the possibility to revamp this area.**

## Litter picking on the school grounds

We would like to keep the area around our school tidy so it is a testament to our efforts to become more 'green'. The Reps want to do it regularly with Mr Todd and would like to remind all the teachers that Monday morning is the time to do it.

**Action: Miss Zych to remind Mrs Fossey to put the reminder for the teachers in the weekly diary printouts.**
