

St. Matthew's CofE Primary School

# School Council Agenda / Minutes

Date: 12.7.23

Classes Present:

**BB LB 1DW 1M 2R 2B 3HW 3K 4Q 4W 5C 5FB**  
**6S 6R** (I. S-P in for K. R-S)

Lead teacher: Miss Zych

First thing we talked about: Eco Assembly

Miss Zych informed us it is our last meeting for this year, but we still have got work to do. We prepared for the assembly on Friday. We recapped on what did we do this year in preparation for the application for the Green School Award next year. We have decided who is going to say what during the assembly.

Miss Zych thanked us for our hard work this year and laying the foundation for our Green Award next year. Certificates and treats are ready for Friday assembly.

Also on an agenda: Next year focus

We looked at the requirements for next year's application for the Green School Award. We had to choose three topics and think of the ideas to undertake it.

We looked at all the topics:

Biodiversity

Energy

Global Citizenship

Healthy Living

Litter

Marine

School Grounds

Transport

Waste

Water

We then had a go brainstorming ideas of projects to undertake for each topic. We then had a draw of the three ideas we will undertake:

**Transport: Clean Air Day** (when everybody is either walking, cycling or scootering to school, Miss Zych to liaise with the Suffolk Council about closing the road to allow pedestrians to walk into school safely)

**Marine: Rubbish Art** (when we create art with rubbish and involve the whole community)

**Litter: Recycling** (we carry on with our Recycling Project by recycling the food waste and creating compost).

We are very excited about what the next year will bring!
