## Minutes

23.10.25

**Representatives Present: 3AW 3BD 4K 4S 5C 5FB 6S 6Q**

### *Harvest*

*Mrs Dorrington congratulated the Council on their prayers during the Harvest Service – teachers have said how well they did.*

### *Badges*

*The Council would like to wear badges to show that they are their class representatives, so Mrs Dorrington will see if Mrs Cameron can order some.*

### *Projects for next half term*

*The Council discussed ideas for projects that could be run next half term, these ideas were put forward:*

- *A Christmas competition, either a card or an ornament. An ornament was voted more popular – to be paper or card so that it is eco-friendly in support of School Council's work, and also linked to the real story of Christmas in some way. The Council would like prizes for KS1 and KS2 winners.*
- *An assembly about values and different backgrounds – perhaps asking different children to share about how they celebrate Christmas*
- *A space in the church to find out more about the real meaning of Christmas*

### *Assembly Prayer*

*The Council wrote down some ideas for a prayer that could be used in assemblies throughout the year, a bit like our school prayer. We will return to this next meeting and edit it.*

*Next Meeting: tbc*
